Big business information at a small business price

DialogPRO Energy works within your requirements and your budget. As a subscriber, simply "pick and choose" the channels that meet your needs – all under a single flat rate price. Plus, you'll have the opportunity to

access *Dialog's* complete collection of nearly 600 databases for transactional purchases, ensuring that you have access to the world's largest collection of premium content.

Get results fast

DialogPRO Energy was developed by top research professionals in the industry. This premier industry information resource has

a user-friendly interface that lets you quickly get the information you need.

What is PRO?

PRO stands for Predictable Research Online:

Predictable

Research Options are available for small businesses. Not all organizations are the same. Choose the *DialogPRO* channel that fits your needs. Pay one fixed rate and use *DialogPRO* as often as you want.

Research

DialogPRO contains the information to monitor industry trends, prepare for client presentations

and also make informed decisions. When it comes to content, *Dialog* is your connection.

Online

DialogPRO is fast. The interface is a collection of intuitive fill-in-the-blank search forms. Behind-the-scenes search queries ensure that you retrieve the most relevant documents eliminating the need to sort through thousands of useless hits.

Get DialogPRO Energy now
