

Innovate to win

# DialogPRO Engineering

The online research tool specifically designed for the engineering professional

## When to use it >>

- Access current regulatory information
- Follow trends and current product developments
- Maximize research investments
- Stay on top of breakthrough technologies
- Track your competitors' R&D through their patent activity

## Who uses it >>

- Architects
- Chemists
- Computer scientists
- Engineers
- Inventors
- Product developers
- Transportation consultants

## Research from the top industry sources

*DialogPRO* Engineering gives you news and information from top industry sources like:

- > Asian Business Intelligence Reports
- > Chemical Engineering and Biotechnology Abstracts
- > *Derwent World Patents Index*<sup>®</sup> (*DWPI*<sup>SM</sup>)
- > Dialog NewsRoom
- > Frost & Sullivan Market Engineering
- > ICONDA – International Construction Database
- > INSPEC<sup>®</sup>
- > MathSci<sup>®</sup>
- > MEDLINE<sup>®</sup>
- > NTIS
- > PASCAL
- > TecTrends

## Big business information at a small business price

*DialogPRO* Engineering works within your requirements and your budget. As a subscriber, simply “pick and choose” the channels that meet your needs – all under a single flat rate price. Plus, you’ll have the opportunity to

access *Dialog's* complete collection of nearly 600 databases for transactional purchases, ensuring that you have access to the world's largest collection of premium content.

## Get results fast

*DialogPRO* Engineering was developed by top research professionals in the industry. This premium engineering information resource

has a user-friendly interface that lets you get the information you need quickly and easily.

---

## What is PRO?

PRO stands for Predictable Research Online:

### Predictable

Research Options are available for small businesses. Not all organizations are the same. Choose the *DialogPRO* channel that fits your needs. Pay one fixed rate and use *DialogPRO* as often as you want.

### Research

*DialogPRO* contains the information to monitor industry trends, prepare for client presentations

and also make informed decisions. When it comes to content, *Dialog* is your connection.

### Online

*DialogPRO* is fast. The interface is a collection of intuitive fill-in-the-blank search forms. Behind-the-scenes search queries ensure that you retrieve the most relevant documents eliminating the need to sort through thousands of useless hits.

---

## Get DialogPRO Engineering now

*DialogPRO* Engineering is your reliable information partner. Gain fast access to industry information and make us your resource to get questions answered. Contact

us today to build your competitive advantage. To learn more about *DialogPRO* Engineering, visit [www.dialog.com/products/dialogpro/](http://www.dialog.com/products/dialogpro/).
